7865	To be supplied with replacement Simu Motor Limit Collar	Black	£8.40

SPRING CASSETTE ASSEMBLIES

- Tension springs are only supplied as a complete assembly for quick and easy replacement.
- Four variations of spring cassette are used. They are not interchangeable.
 - Standard and OPH spring cassettes are used on TESS™ systems above 1080mm wide
 - Short and short OPH spring cassettes are only used on systems that are below 1080 wide AND less than 3000mm draw.
 - Please refer to diagram below for standard and OPH spring cassette positions. For identification the OPH spring cassettes are sprayed white on the coils.
